A little word about our AUCTION SALES

The year of 1936 having just passed, in which we held six successful sales, we have noticed at each sale more mail bidders. Evidently they must like the class of material and the manner in which we conduct our sales. The personal attendance mounted with each sale. At the beginning of the year our attendance was about one hundred; until towards the end of the year the crowds were so large that we were compelled to hold our sales in larger quarters. Therefore, we have selected the Pennsylvania Hotel in New York as our future headquarters when we conduct a sale. However, when writing us, please address our offices at 690 Sixth Avenue, New York.

To those interested in having their collection sold at auction, we feel sure that your results will surpass your expectations. We have possibly the largest mailing list of any dealer which will benefit you. Our terms are reasonable, our cataloguing is honest. Why not write to-day for a reservation.
